# 20 YILLIK DENEYİM

Kuvâ-yi Milliye Şehri Balıkesir'de başlayan yolculuğumuzu; ülkemize katkı değer sağlayan yurt içi ve yurt dışı projelerimizle kesintisiz sürdürmeyi, milli menfaatlerimiz doğrultusunda üzerimize düşen her türlü sorumluluğu yerine getirmeyi şiar ediniyoruz.

## 20 YEARS OF EXPERIENCE

*Our journey started in Balıkesir, the city of Kuva-yi Milliye; We are committed to continuing uninterruptedly with our domestic and international projects that add value to our country, and to fulfill all kinds of responsibilities in line with our national interests.*

*Metin Bayram*

## VİZYONUMUZ / OUR VISION

Geçmişten edindiğimiz bilgi ve deneyimimizi nitelikli insan kaynakları ve teknolojik alt yapılar ile destekleyerek, çağımızın gereksinimleri doğrultusunda güvenilir ve kaliteli eserleri insanımızın hizmetine sunmak.

*To support our knowledge and experience gained from the past with qualified human resources and technological infrastructures and to offer reliable and quality works to our people in line with the needs of our age.*

## MİSYONUMUZ / OUR MISSION

Toplumun değer yargılarını gözeten, çevre ve iklim koşullarına duyarlı, odağında insana saygıyı benimsemiş, sosyal sorumluluk ilkelerine bağlı kalarak sektöründe öncü ve etkin rol model olmak.

*To be a pioneer and an active role model in the sector by observing the value judgments of the society, sensitive to environmental and climatic conditions, adopting respect for people in its focus, adhering to the principles of social responsibility.*

## AKILLI EV SİSTEMLERİ SMART HOME SYSTEMS

Akıllı ev sistemleri; aydınlatma, ısıtma, güvenlik, iklimlendirme ve görüntüleme sistemleri gibi birbirinden bağımsız birimleri ve cihazları ana kontrol ünitesi ile birbirine bağlayan yazılımlar ve donanımlar bütünü olarak tanımlanabilir. Bilgisayar, tablet, cep telefonu gibi cihazlar ile kolaylıkla yönetilebilir. Hayatı daha pratik bir hale getiren akıllı evler, birbirleriyle iletişim kurabilen cihazları etkin bir şekilde kullanabilmenize olanak tanır. İnternet aracılığıyla dünyanın herhangi bir yerinden eviniz ile uzak bağlantı kurarak evinizin iklimlendirmesini, elektriğini ve ip kameralarını dahi kontrol edebilirsiniz.

Smart home systems; It can be defined as a set of software and hardware that connects independent units and devices such as lighting, heating, security, air conditioning and imaging systems with the main control unit. It can be easily managed with devices such as computers, tablets, mobile phones. Making life more practical, smart homes allow you to effectively use devices that can communicate with each other. You can even control your home's air-conditioning, electricity and IP cameras by establishing a remote connection with your home from anywhere in the world via the Internet.
